Commission of Power Capacity

174. DR. B.B. DUTTA: Will the Minister of POWER be pleased to state:

(a) the target set for commissioning of power capacity during the Eighth Five Year Plan;

(b) what has been the achievement during the first three years of the plan;

(c) whether only 50 per cent of the targeted power capacity will be commissioned during the Eighth Plan;

(d) if so, what are the major reasons for the gap in target and achievement; and

(e) the details of efforts being made to achieve the target?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILABEN CHIMANBHAI PATEL): (a) The capacity addition target fixed for the Eighth Five Year Plan is 30537.7 MW.

(b) The capacity addition achieved during the first three years of the Plan was 12674.5 MW.

(c) to (e) As per the latest assessment of the Central Electricity Authority (CLA), 20729.7 MW of generating capacity is likely to be added during the Eighth Plan period. The major reasons for the gap in target and achievement are paucity of funds, delay in placement of order for main plant and equipment, delay in supply of equipment by suppliers, procedural delays in land acquisition, resolution of inter-state disputes, problems due to disturbed site conditions at some of the projects, unresovled issues in fuel linkages, suspension of works due to contract failures and resettlement and rehabilitation problems. In order to ensure the timely commissioning of power projects which are under execution, the Ministry of Power and the Central Electricity Authority are closely monitoring the progress of these projects and rendering timely assistance to the projects by taking up the matter with the concerned authorities.

हरियाणा में दूरदर्शन और आकाशवाणी केन्द्रों का कार्यकरण

175. **श्री रामजी लाल:** क्या **सूचना और प्रसारण** मंत्री यह बताने की कृपा करेंगे कि:

(क) हरियाणा में निर्माणाधीन दूरदर्शन और आकाशवाणी केन्द्र कब तक कार्य करना शुरू कर देंगे;

(ख) उन पर अब तक कितनी धनराशि खर्च की गयी है;

(ग) दूरदर्शन-2 मैट्रो कार्यक्रम पूरे राज्य में विशेषकर हिसार और अम्बाला में उपलब्ध कराने के लिए सरकार द्वारा क्या कार्यवाही की जा रही है; और

(घ) इस सम्बन्ध में कितनी राशि खर्च किए जाने की सम्भावना है?

सूचना और प्रसारण मंत्रालय में राज्य मंत्री (श्री पी० एम० सईद): (क) आकाशवाणी और दूरदर्शन की विभिन्न परियोजनाओं का कार्यान्वयन विभिन्न स्तरों पर हो रहा है और इनको अगले दो से तीन वर्षों में चालू किए जाने की संभावना है।

(ख) इन स्कीमों पर 201.30 लाख रुपये पहले ही खर्च किए जा चुके हैं।

(ग) और (घ) फिलहाल मण्डी डबवाली स्थित एक अल्प शक्ति ट्रांसमीटर डी०डी०-2 सेवा को रिले करता है। वर्तमान में हिसार और अम्बाला में डी०डी०-2 सुविधा उपलब्ध कराने की कोई स्कीम नहीं है।
